VESCO OIL CORPORATION NAMED A WINNER OF THE MICHIGAN 2022 TOP WORKPLACES AWARD

Detroit Free Press Top Workplaces Honor is Based on Survey of Vesco Oil Employees

Southfield, MI, November 20, 2022 — Vesco Oil Corporation, one of the largest distributors of branded automotive and industrial lubricants in the United States and a leading provider of environmental services, has been named a 2022 Top Workplace by the Detroit Free Press.

The Top Workplaces award is based solely on anonymous employee feedback gathered through a third-party survey administered by research partner Energage.

“Earning a Top Workplaces award is a badge of honor for companies, especially because it comes authentically from their employees,” said Eric Rubino, Energage CEO. “That’s something to be proud of. In today’s market, leaders must ensure they’re allowing employees to have a voice and be heard. That’s paramount. Top Workplaces do this, and it pays dividends.”

This is the second time Vesco Oil has been named to the Detroit Free Press list of Top Workplaces. Vesco Oil has more than 230 employees and operates a total of 10 locations across the Midwest—including Michigan, Ohio, and Illinois.

“Our people are our greatest asset, and they demonstrate it each day by their collective hard work, enthusiasm, and determination to make this a great place to work,” said Lilly Epstein Stotland, President & CEO of Vesco Oil. “This award is further confirmation of the significant contributions our employees make to the success of our company.”

As a 2022 Top Workplaces award recipient, Vesco Oil is featured in a special section of the November 20th Detroit Free Press.

Vesco Oil is a third-generation, family-owned and operated business, created by Eugene Epstein in 1947. It is a leading supplier of automotive, commercial and industrial lubricants including fuels, cleaners, degreasers, washer solvents, antifreeze, metalworking fluids and more. Products include ExxonMobil, Valvoline, Ford Motorcraft, Accurate brand lubricants, Castrol Metalworking, Graco, MOC, QuakerHoughton, DuBois Chemicals, Car Brite, BlueView washer solvent, and others. Vesco also offers a wide variety of ancillary products and services for the end user such as parts cleaner service on leased and customer-owned machines, bulk used oil and antifreeze management, containerized hazardous and non-hazardous waste disposal, and installation and servicing of lubricant dispensing equipment including bulk tanks, reels, and

pumps. Our customer base includes car dealerships, industrial manufacturers, automotive plants, quarries, trucking companies, repair garages, quick lubes, machine shops, utility companies, and even the family farm.
